

**ANSA BANK ONLINE**  
**Customer – Existing Customer –**  
**Self Registered – Mobile**

## ▶ DOCUMENT OBJECTIVE

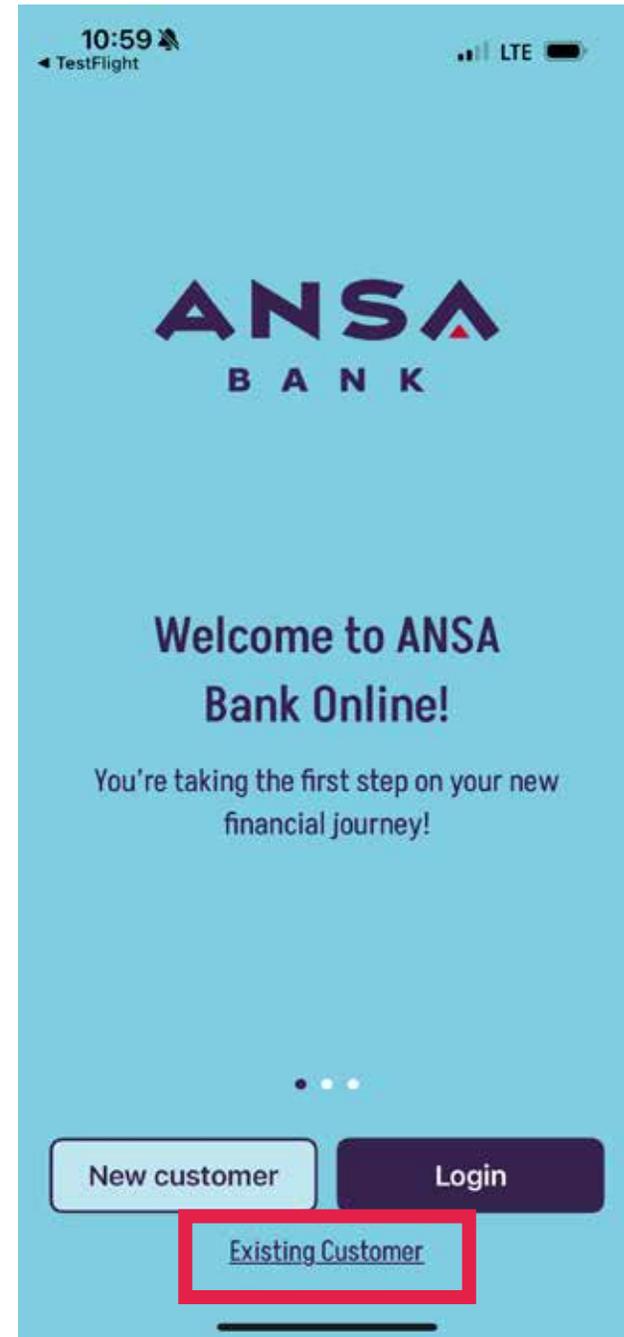

The objective of this document is to provide an overview for Existing Customers to Self-Register via ANSA Bank Mobile

### Step 1

Download the **ANSA app**, See process.

### Step 2

Log into ANSA Bank App on your Phone, select '**Existing Customer**'.

## ▶ Step 3

Enter your account number and Identification number that was used to register with the bank. Select **'I am not a robot'**

The screenshot shows the ANSA BANK Self Registration page. At the top, there is a browser address bar with the URL "ansa-bank-uat.netteller.com.cy/ebanki" and a refresh icon. Below the browser bar is a blue header with the ANSA BANK logo on the left and a "Help" link on the right. The main heading is "Self Registration".

The page is divided into a "Customer Verification" section with the instruction "Please complete all the required fields". Below this are two input fields: "Account Number" and "National ID/Passport", both containing the placeholder text "Please Insert".

At the bottom of the form, there is a checkbox labeled "I'm not a robot" which is highlighted with a red border. To its right is the reCAPTCHA logo and the text "reCAPTCHA Please - Terms".

At the very bottom of the page, there are two buttons: a "Cancel" button and a dark blue "Submit" button.

# ▶ Step 4

Select, 'Submit'

[Cancel](#) **Submit**

## ▶ Step 5

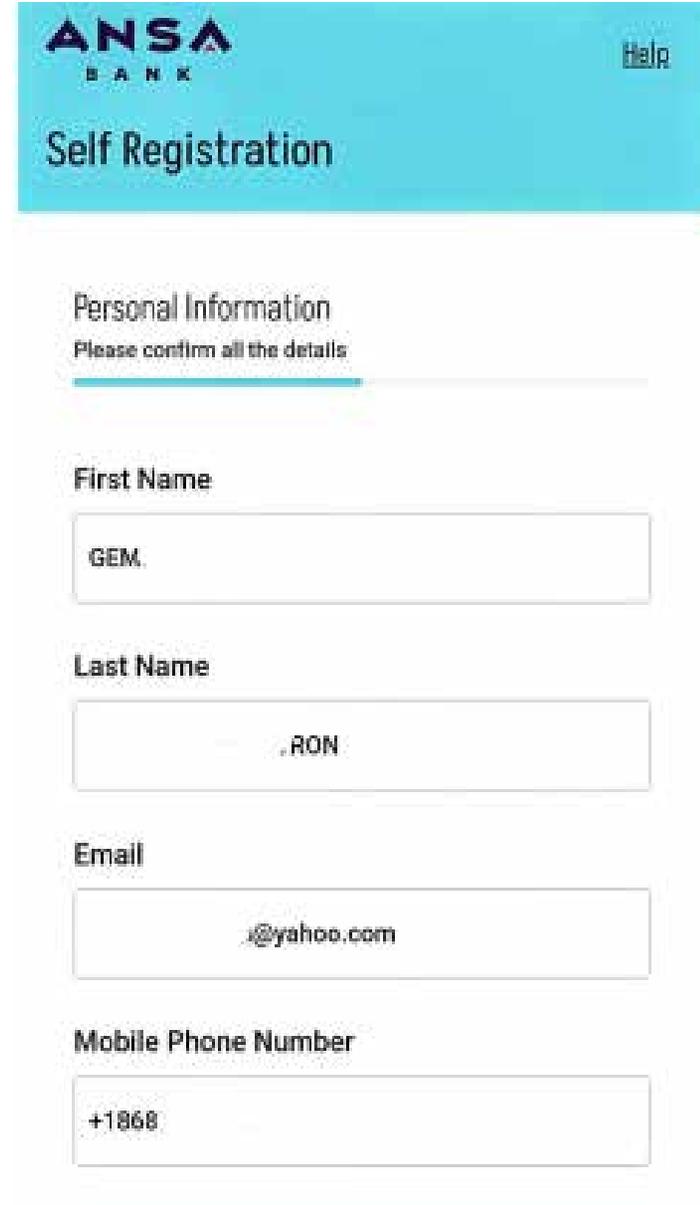

A picture is displayed, with a required action. Review and select the appropriate squares.

Select **'VERIFY'**

## ▶ Step 6

Review your 'Personal Information'.

A screenshot of the ANSA BANK self-registration process. The top header is light blue with the ANSA BANK logo on the left and a "Help" link on the right. Below the header, the title "Self Registration" is displayed. The main section is titled "Personal Information" with a sub-instruction "Please confirm all the details". A progress bar shows the first step is completed. The form contains four input fields: "First Name" with the value "GEM.", "Last Name" with the value ".RON", "Email" with the value ".@yahoo.com", and "Mobile Phone Number" with the value "+1868".
